

Frequently Asked Questions

- **What age must a child be to travel in a CanaDream RV?**

Children of any age are welcome to travel in our RVs. It is the Parent/Guardian's responsibility to ensure all children are properly secured in an appropriate child restraint device for their weight and height.

- **Which types of seat belts are in the rear of CanaDream RV's?**

The rear cabins of our RVs are equipped with lap belts only.

- **In addition to side-facing and rear-facing seats, are there forward-facing seats in the rear cabin of CanaDream RV's?**

Yes. There are forward-facing seats in the dinette or on the rear sofa. The number of forward-facing seats in the rear cabin differs based on the type of vehicle rented. For further detail, please reference the table below.

- **Is it possible to deactivate the front passenger seat airbag in a CanaDream vehicle?**

No. It is not possible to deactivate the front passenger seat airbag in any of our RVs.

- **Is it possible to move the front passenger seat backwards in a CanaDream vehicle to create more space between the airbag and a child passenger?**

No. The front seat cannot move back far enough. Child restraints must not be used in the front passenger seat.

- **Do CanaDream RV's contain tether points or anchors?**

Most, but not all, of our RVs contain 1 or 2 tether points. Our RVs do not contain anchors. For further detail, please reference the table below.

- **Who is responsible for fitting the child restraint device in the vehicle?**

It is the Parent/Guardian's responsibility to fit the child restraint device in the vehicle. The Parent/Guardian should ensure all children are properly secured in an appropriate child restraint device.

- **Do you have child restraint devices available for rent?**

All CanaDream stations offer the Evenflo Symphony child restraint (Infant Seats, Child Seats & Booster) available to rent for a fee.

All our child restraint devices meet Canadian manufacturer safety standards. We recommend advance booking to ensure availability. Guests are required to sign a waiver at time of check in for the rental of the child seat.

- **Can a booster seat be used in a CanaDream RV?**

Yes, but please be aware that the rear seats in our RVs contain only lap belts.

- **Can parents/guardians bring their own child restraint device?**

Yes. Guests can bring their own child restraint device.

Maximum Child Restraints Per Vehicle							
		TCA	DVC	SVC*	MHB/MHC*	MHA*	MHX*
# Tether Points		3	0	1 or 2	1 or 2	1 or 2	1 or 2
Maximum recommendation Restraint Capacity - Total RV		3	2	3	3	3	3
Rear facing infant seat*	Age: new born - 1 year Weight: up to 22lbs	3	2	1	1	1	1
Child seat**	Age: 1 year - 9 years Weight: up to 40lbs	3	2	2	2	2	2
Booster seat	Age: 9 years - 12 years Height: up to 145cm	3	2	2	2	2	3

*TCA trucks have isofix/anchor points. **SVC, MHB, MHA, MHX units are equipped with at least 1 fixed tether point which a child seat can be attached to. All infant/child seat/booster seats are secured by lap belts.
